

Are you Interested in Sales, Marketing and Technology?

As a Sales and Marketing Assistant (Intern), your main challenge is learning our products, communicating their value with confidence, and turning technical terms and complex technology into clear, concise, engaging communication.

We are looking for an intern to support the Head of Sales and the Head of Marketing in the following tasks:

- Sales project management support.
- Pipeline monitoring in HubSpot (CRM).
- Technical sales support.
- Sell "New Space" maritime communication globally.
- Digital marketing and creating campaigns.
- Analysing and updating the website.
- Writing content for the website and LinkedIn.
- Organizing events and attending them.
- Making presentations about the company.
- Creating brochures, flyers, PPT presentations, and other materials.
- Contacting external people.

About you:

- You understand and like IT software and hardware.
- You have a "problem solver" mindset.
- You are comfortable talking to strangers.
- You enjoy being surrounded by many different cultures and nationalities.
- You are fluent in English; other languages are a plus.
- You are willing to stay with us for a minimum of 12 weeks.
- You would like to work physically in Aalborg.
- If you have design skills and can use Photoshop, Illustrator, or similar, it is a big plus.

What we offer:

- A seat in our great office in Aalborg.
- Direct contact with every department, so you get a real feel for the whole business.
- First-hand knowledge of satellite technology and the maritime industry.
- Real independence: you'll own and run your own activities, not just shadow others.
- Flexibility, including alternative working hours if you already have a job.
- A nice, international environment with people in high spirits.

Who are we, and what do we do?

We provide trusted connectivity for ship operations, driven by boldness, trust, and innovation. As the world's leading AIS 2.0 network operator and solution provider, we deliver reliable, forward-looking solutions that empower the maritime industry.

Sound like you? Here's how to apply:

Send us a short application telling us about your experience and availability, along with your CV, to application@sternula.com. We look forward to hear from you.
